Handicap accessible entrance located in parking lot off of Oak Street.

To make benefits more accessible to state veterans and their eligible family members, I will be welcoming a mobile veterans outreach van to the event. An accredited veterans service officer will provide information and assistance to veterans and family members who may be eligible for benefits through the Pennsylvania Department of Veterans Affairs. Such benefits might include service-connected disability compensation, improved pensions, death pensions, VA health care benefits, burial benefits, education benefits, vocational rehabilitation and more.

In addition to sharing information about programs to benefit veterans, the Montgomery County Recorder of Deeds will also be processing veterans discount cards, which offer discounts for goods and services from more than 400 participating county merchants. To receive a discount card that day, veterans are asked to bring their original DD 214 and photo identification.
